

PANAGIOTIS PANTAZIS

Assistant Professor
"Ichthyology and Aquaculture"

Surname	PANTAZIS
Name	Panagiotis (Panos)
Father's name	Aristeidis
Date of birth	April 6, 1960
Place of birth	Athens, Greece
Tel. no.	+30 24410 66020
E-mail no.	ppantazis@vet.uth.gr
Mob. number	+30 6974 613149

EDUCATION

Ph.D. in Aquaculture Nutrition. **Institute of Aquaculture - University of Stirling, Scotland, U.K** (2000).

B.Sc. in Agricultural Sciences -Animal Husbandry. The **Agricultural University of Athens, Greece** (1988).

PROFESSIONAL ACTIVITIES

July 2014 – to date: Assistant Professor in Ichthyology and Aquaculture (elected on 14/07/2014 appointed by Dean's Act 1227/3-2-2015) Department of Veterinary Science, **University of Thessaly, Greece** (undergraduate and postgraduate teaching and research).

Sept 2007- June 2014: Lecturer in Ichthyology and Aquaculture (elected on 13/04/2006, appointed by Dean's Act 10208/18-9-2006), Department of Veterinary Science, **University of Thessaly, Greece** (undergraduate and postgraduate teaching and research).

May 2001- Feb 2006: Research Associate at the Laboratory of Ichthyology & Hydrobiology, Department of Agriculture Animal Production & Aquatic Environment, **University of Thessaly, Greece** (undergraduate teaching and research).

Oct 2005-July 2008: Research Associate at the **Alexandrian Higher Technical Education Institution (ATEI Θεσσαλονίκης)**, Department of Aquaculture and Fisheries, Nea Moudania Halkidikis, Greece (undergraduate teaching).

May 2000 – December 2000 Research Associate at the **Environmental Research Institute (ERI)**, North Highland College, **University of Highlands and Islands (UHI)**, Scotland, U.K.(research).

June 1997 -April 2000 Research Associate (Higher Scientific Officer/Lecturer A!) at the **Scottish Association for Marine Science (SAMS)**, **Dunstaffnage Marine Laboratory**, Scotland, U.K.(postgraduate teaching and research).

Sept. 1991 - March 1993 "**Riopescas**" **Aquaculture of Western Greece S.A.**, Nafaktos, Greece. Employed as ichthyologist (Brood stock management, nursery facilities).

Oct. 1990 - Aug.1991 "**Leros Aquaculture Ltd**" Leros Island, Greece. Employed as ichthyologist (total supervision of sea bass nursery facilities).

Sept 88 - May 90 Mandatory military service: Greek Armed Forces / Infantry (Tank's Division)

Undergraduate teaching

University of Thessaly (2001 to date), Alexandrian Higher Technical Education Institution (ATEI Θεσσαλονίκης (2005-2008).

Postgraduate teaching

Scottish Association for Marine Science (SAMS) (1997-2000), University of Thessaly (2006 to date).

ADMINISTRATIVE ACTIVITIES

Member of the Inter-Departmental Committee of the M.Sc. course "Aquaculture – Pathology of Aquatic Animals" which is conducted in collaboration with the Department of Fisheries & Aquaculture Technology of the Technological Educational Institute of Epirus, Greece and the Department of Veterinary Science, University of Thessaly, Greece.

Member of the General Assembly of the Faculty of Veterinary Medicine, University of Thessaly, Greece.

Regular member and member of the Election Committee of the Hellenic Society of Animal Production (<http://www.eze.gr/uk/main.html>)

.....

RESEARCH

Research interests

Husbandry, nutrition and reproduction of aquatic organisms. Aquaculture. Aquaculture engineering. Aquaculture economics. Biotechnological applications in aquaculture. Biology and ethology of endangered aquatic organisms. Integrated Multi-trophic aquaculture. Integrated holistic management of coastal ecosystems.

Research grants

- **Scholarship PROMETEO** by the Secretaria Nacional De Educacion Superior, Ciencia, Tecnologia E Innovacion – **SENESCYT, ECUADOR** (July 16 – November 16, 2014). Title of the project "Estudio para determinar el potencial en la producción piscícola en agua dulce en las provincias de Sucumbios y Esmeraldas, buscando el mejoramiento de la calidad de vida de los productores con el cambio de la matriz productiva" [Study to determine the potential of freshwater aquaculture production in the provinces Sucumbios and Esmeraldas by improving the quality of life of local producers and by changing the productive matrix].

- **Bilateral Educational Program of Greece – Poland 2013** (8-14 October 2013). I have been chosen by the Greek Ministry of Education to visit Prof.dr Marek Zietara, Head of the Department of Molecular Evolution, Gdansk University, Poland and his collaborator Prof. E. Skorkowski. (Senior Director of the Department of Molecular Evolution). During this visit I had to opportunity to work on laboratory techniques related to qualitative and quantitative determination of fish spermatozoa enzymes.

- **AQUAEXCEL (FrameWorkProgram7, EU /2007-2013, Grant Agreement No. 262336)**, March4-March28 2013. I have been sponsored by this project to visit the Research Institute of Fish Culture and Hydrobiology, University of South Bohemia, Faculty of Fisheries and Protection of Waters, Czech Republic. During my visit, I have conducted an experimental project with the title "Reproduction of Pikeperch (Sander Lucioperca L.)" under the supervision of Associate. Prof. Dipl.-Ing. Tomas Policar,

Ph.D. (<http://www.frov.jcu.cz/en/aktuality-2013/dr-panagiotis-pantazis-realize-an-experiment-at-the-ffpw-usb>)

- **Bilateral Educational Program of Greece - Slovakia 2012** (Sept 6 – Sept 15 2012). I have been chosen by the Greek Ministry of Education to visit Dr. Ján Koščo, Head of the Department of Ecology, Faculty of Humanities and Natural Sciences, University of Prešov, Slovakia. My scientific visit targeted at exchanging know-how, methodology and experience in issues of freshwater fauna and flora management.

- **Municipality of Sofades, Thessaly County, Greece** (2012-2014). “Experimental production of freshwater crayfish in earthen ponds”. University of Thessaly Research Committee (Code No 4510).

- **Prefecture of Thessaly, Thessaly County, Greece** (2012-2014). “Study of Ichthyofauna & Biological-Physicochemical water parameters of the Lake Tavropos, Lake Smokovos and the Sofaditis river at the Karditsa Prefecture. A suggestion for the sustainable development of freshwater reservoirs of the Karditsa Prefecture, Greece”. University of Thessaly Research Committee (Code No 4447).

- **Bodossakis Foundation, Greece**. (2010-2013). “Study of the ichthyofauna, biological and physicochemical parameters of the Lake Tavropos, Karditsa, Greece. Contribution to the sustainable management of aquatic reservoirs of the Karditsa Prefecture” – principal investigator. The grant is co-sponsored by the University of Thessaly Research Committee (Code No 4058).

- **University of Thessaly Research Committee**. (2008-2010). “Investigation of optimum culture and feeding requirements for the freshwater crayfish *Astacus astacus* L. – principal investigator (Code No 3747).

Participation in other Research Projects

PROTENCH “Intensive and sustainable culture of the freshwater species tench” / COOP-CT-2004, Contract Number 512575.

http://www.akvaplan.niva.no/en/aquaculture/new_rearing_methods - Greek SME (2005-2007).

AQCESS “Aquaculture and Coastal Economic and Social Sustainability” European Union Key Action 5, Q5RS-2000-31151. <http://www.abdn.ac.uk/aqcess> University of Thessaly (2001-2003).

European Institute of Underwater Activities (EURO.IN.U.A) (June 2001). Research Associate at the underwater research “Feasibility Study for the creation of an underwater sustainable artificial reef in the area of **Samothraki, Greece**”. The research has been funded by the Municipality of Samothraki, Greece.

FAIR-CT98-9210 (SC) – “Echinoculture”, Fourth Frame Work Program. Scottish Association for Marine Science (SAMS) (1998-2000). <http://www.sams.ac.uk/maeve-kelly/sea-urchin-aquaculture-at-sams?searchterm=Sea+urchin+culture>

FAIR-CT97-8459 (SC) – “Commercially viable sea urchin culture”, Fourth Frame Work Program. Scottish Association for Marine Science (SAMS) (1997-1998).

PRIZES AND DISTINCTIONS

Ph.D. Scholar of the State Scholarship Foundation (I.K.Y.) of Greece (Scholar ID 760122020, 1994-1998).

Scholar of the Bodossakis Foundation, Greece. (2010-2013).

Scholar “PROMETEO” of SCENESCYT (Secretaria Nacional De Educacion Superior, Ciencia, Tecnologia E Innovacion) – ECUADOR (July – November 2014).
