

PETANIDES Theodoros
Lecturer
“Small Animal Medicine”

Surname	Petanides
Name	Theodoros
Father's name	Avraam
Date of birth	29/11/1976
Place of birth	Thessaloniki
Tel.	+30 6944445321
E-mail	tpetanid@gmail.com

EDUCATION

Doctoral thesis (September 2002-July 2008) on the factors associated with epistaxis in canine leishmaniosis.

One year **internship** in the Companion Animal Clinic, Unit of Medicine, Aristotle University of Thessaloniki (September 2001-2002)

Graduated from the School of Veterinary Medicine, Aristotle University of Thessaloniki (November 2001)

Undergraduate **Erasmus** Winterschool in Odense, Denmark – Neuroanatomy (1998)

PROFESSIONAL ACTIVITIES

- Full time employee of a private Veterinary Clinic of Thessaloniki since July 2005. Main role: Internal medicine cases both in outpatient and inpatient basis.
- Chief executive officer and cofounder of the Workshop for Continuing Education of Thessaloniki (since 2009), an educational subsidiary company of the Veterinary Center of Thessaloniki
- Volunteer scientific collaborator for the Companion animal Clinic, Unit of Medicine, Aristotole University of Thessaloniki (2002-2005)

Undergraduate teaching

- Teaching Gastroenterology (8th semester, Small Animal Medicine III) since February 2011
- Teaching Nephrology and Urology (9th semester, Small Animal Medicine IV) since 2009
- Adjunct Lecturer of Small Animal Medicine in the Medical Department of the Faculty of Veterinary Medicine, University of Thessaly since September 2009

ADMINISTRATIVE ACTIVITIES

- IT support for the Medical Department of the Faculty of Veterinary Medicine, University of Thessaly since September 2009

RESEARCH

Research interests

Leishmaniosis, Coagulation disorders, Clinical Pathology

Research grants

None

Supervision of PhD theses

None
